Announcements

Independent Living
VICINIA GARDENS
Assisted, Intermediate & Memory Care

Dear Family and Friends:

As we move into fall, I know we are all anxiously awaiting updates about our COVID-19 Booster dose, however, at this time only Pfizer-BioNTech booster shots are authorized by the FDA.

The CDC and the Michigan Department of Health and Human Services (MDHHS) are expecting authorization in the next few weeks for the Moderna vaccine. The majority of residents on campus were vaccinated with Moderna therefore, as soon as we receive authorization the booster clinic, we will be scheduled for our dose.

Vicinia Gardens will be offering both Moderna and Pfizer at the vaccine clinic. If you would like to receive your booster vaccine before our clinic, please speak with your physician. It is recommended to receive the booster 8 months after your initial vaccination dose.

If you have any questions about the booster vaccination, please contact your primary care physician.

Thank you,

Kelly Steffey
