Welcome to our new Resident Director

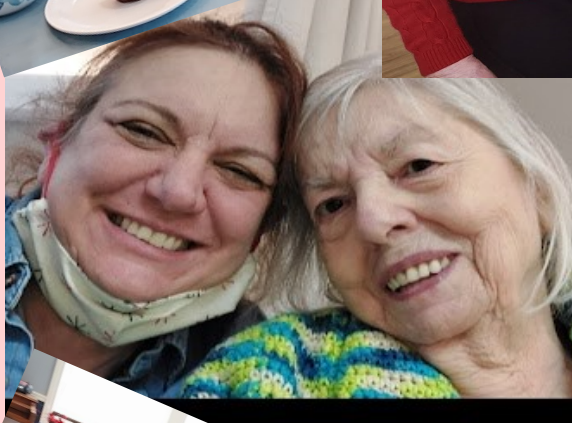

Eric Goodlock

Eric has a long background in residential and inpatient psychiatric facilities, skilled nursing, rehab, and assisted living facilities. He graduated from Grand Valley State University in 2011 with a bachelor's degree in biomedical science. In his spare time, he enjoys spending time with his wife and 3 children, watching NBA games and UofM football, completing DIY home projects, and running a microbrand watch business.

An interesting fact about Eric from his college years:
He was a member of the paintball club!!!
